I know, I know
She's gonna go this morning
No sun will shine today
And this body's feeling strained and dispossessed
Full of fear and trembling for her,
Her last words to go away, yeah...
But blind faith's trying to tell me it isn't over
Tell me it do not have to be
And storm water's weeping on my bedroom window
Blow me up and throw me up and
Please...come on and please me
Tease...come on and tease me
Please...come on and please me
Yeah, come on and tease me...
If you say you want me
I won't say no
Cause nothing's gonna pacify, satisfy
That rattling window
If you say you want me
I won't say no
Cause nothing's gonna pacify, satisfy
That rattling window
I know, I know
She's gonna go this morning
No sun will shine today
And this body's feeling strained and dispossessed
Full of fear and trembling for her,
Her last words to go away
But blind faith's trying to tell me it isn't over
Tell me it do not have to be
Storm water's weeping on my bedroom window
Throw me up and blow me up and
Please...come on and please me
Tease...come on and tease me
Yeah, please...come on and please me
Yeah, you gotta tease me...
If you say you want me, I won't say no
Cause nothing's gonna pacify, satisfy
Pacify, satisfy, pacify, satisfy
That rattling window
