I will come for you at nighttime  
I will raise you from your sleep  
I will kiss you in four places  
As I go running along your street  
I will squeeze the life out of you  
You will make me laugh and make me cry  
And we will never forget it  
You will make me call your name  
And I'll shout it to the blue summer sky  
And we may never meet again  
So shed your skin and let's get started  
And you will throw your arms around me  
Yeah, you will throw your arms around me  
I dreamed of you at nighttime  
And I watched you in your sleep  
I met you in high places  
I touched your head and touched your feet

So if you disappear out of view  
You know I will never say goodbye  
And though I try to forget it  
You will make me call your name  
And I'll shout it to the blue summer sky...  
And we may never meet again...  
So shed your skin and let's get started  
And you will throw your arms around me  
Yeah, you will throw your arms around me  
Oh...yeah...  
Ohhh yeah...  
You will throw your arms around me...  
Yeah, you will throw your arms around me...
