Doc you gotta help me
Get back to my place in time
My dad's a chump and my mom's screwed up
She thinks i'm calvin klein
We just need some plutonium
And i'll be on my way right outta here

I don't think i can stand livin' in 1955
Strickland's still a twerp and biff's still a jerk
I don't think i could survive
Get her up to 88
This nightmare will be in the past for me

Meet me at the clock tower
And doc try not to be late
I'm goin' to the dance it's my last chance
I gotta set those 2 kids straight
Doc you gotta help me get
Get me back to 1985
