The night we met i knew i needed you so  
And if i had the chance i'd never let you go  
So won't you say you love me i'll make you so proud of  
me  
We'll make them turn their heads every place we go

So won't you please, be my be my baby  
Be my little baby, my one and only baby  
Say you'll be my darlin' ,be my be my baby  
Be my baby now oh ho ho ho

I'll make you happy baby just wait and see  
For every kiss you give me i'll give you three  
Since the day i saw you i've been waiting for you  
You know i will adore you till eternity
