I should of let go when i saw (?)  
That girls got issues i don't wanna be next  
In line for a ride i'm not tall enough for  
When she showed me her purse i shoulda showed her  
the door

'cause she don't care about no one  
And who knows when she'll come undone  
Oh won't that be a lot of fun oh

She says she want's to get too know me better  
(?) with a suicide letter  
She smiled and said it's just a joke  
But i don't think she's blowin' smoke

Oh oh the girls go crazy  
Oh no i don't mean maybe  
Oh oh the girls go crazy  
Makes me wanna swear of love for ever  
Oh oh oh yeah

I saw her down at the market square  
She called me over (?)  
(?)  
(?)

She lied and said she was (?)  
But i don't think (?)  
'cause that's no excuse why she's not sweet  
She used to be a normal girl  
But she's escaped to her own world  
There's someone there she's gotta (?)
