Mommy's on the couch watching tv
Daddy's hugging up with jimmy bean
Bobby's in his closet sniffin' glue
Cause he ain't got nothing better to do

Some people like to blame the usa
For everything that goes wrong today
They sit around and watch the world go down the drain
If springer's a re-run i'll go insane

It's a glue sniff death shocker
It's a glue sniff death shocker

Bobby's got a friend hooked on lsd
Then heroin and cocaine golly gee
There's nothing him and bobby they won't do
Move on to gas when they run out of glue

Some people like to blame politics
For everything that makes the world so sick
They lie they cheat they steal they're an evil breed
A lazy-boy and cable is all we need

Some people like to blame the usa
For everything that goes wrong today
They sit and watch the world go down the drain
While bobby's overdosing they just complain
