"I Don't Wanna Go Out With Her"

Visit "[I Don't Wanna Go Out With Her](#)" on MotoLyrics.com

I saw her at the show last week to be nice i said hello
She told her friends that we're a (?) and she won't
leave me alone

I wish she'd go away
I don't need this today
And i don't understand why she would wanna hold my
hand and that's why

I don't wanna go out with her (no oh)
I don't wanna go out with her (no oh)
I'm sick of her whining
And tired of her crying and acting so immature
And i don't wanna go out with her

I've never really (?) that girl but i guess (?) try
'cause i don't think she's going away (?)

Maybe if i said it nice and slow
She'd get the point and turn around and go
And i could go on with my life (?)
(?)
