When i look at you
My heart just goes insane
When i think about you
I kind of lose my brain

'cause a guy like me
Doesn't have a chance in the world
With a girl like you
And even if i dreamed everynight
I know it wouldn't come true
So tell me what i gotta do

Ooo-eh-ooo
Ooo-eh-ooo
Ooo-eh-ooo
I'm so stupid, stupid for you

When you look at me
I turn my head in shame
And you don't think about me
'cause your friends all think i'm mean
