Well, you're a loudmouth, [Incomprehensible]

You better shut it up

I'm gonna beat you up

You've got a loud mouth, baby

Well, you're a loudmouth, [Incomprehensible]

You better shut it up

I'm gonna beat you up

You've got a loud mouth, baby

Well, you're a loudmouth, [Incomprehensible]

You better shut it up

I'm gonna beat you up

Well, you've got a loud mouth, baby
