"No Luck Again"

Another night and I'm alone
Watchin' TV, waitin' by the phone
Said she'd call me around 8
It's 12:06, I guess she's runnin' late
No luck again
Went upstairs to get a snack
Conan's on, I gotta hurry back
Phone rang, I tried not to get mad
Picked it up but it was only Brad
Gave up and went to sleep at 4
Couldn't stand the waiting anymore
Ran into her at the mall
She was mad because I didn't call
