new york city, nyc  
pretty mean when it wants to be  
black leather, knee hole pants  
can't play no high school dance

fuzztone hear 'em go  
hear 'em on the radio

misfits, twilight zone  
R-A-M-O-N-E-S, R-A-M-O-N-E-S  
ramones!

bad boy rock, bad boy roll  
gabba gabba, see them go  
c.j. now hits the gas

hear marky kick some -

go johnny, go go go  
go tommy, oh-way-oh

bad boys then, bad boys now  
good buddies, mau mau mau  
keep it up, rock and roll  
good music, save your soul

dee dee, he left home  
joey calls me on the phone
