Saw this girl walkin' down the street
Seemed like the kind that i would wanna meet
What should i say? i really don't know
Would you like to come to a rock 'n roll show?

She said cool, i said great
I can't believe that i really have a date
It's so exciting that this could be
The one and only girl for me

She's my rock n roll girl
She's my rock n roll girl
Wouldn't trade her for anything in the world
She's my rock n roll girl

Things were goin' great, couldn't be better
Introduced her to sydney leather
They started rockin' and groovin' real load
And we both got lost in the crowd

I caught up with her after the show
And, oh my gosh what do you know?
She was hangin' out with the band
And when she walked out, she was holdin' darrell's
hand

He stole my rock n roll girl
He stole my rock n roll girl
Wouldn't trade her for anything in the world
He stole my rock n roll girl
