"She's Probably Over Me"

We went to sunday school together, ah-ah
She was the first girl that i kissed
I thought i'd be with her forever, ah-ah
We'd share a life of hapiness

But things didn't work our fine
I didn't want to waste her time
And i couldn't find the words to say to her
But she's probably

She's probably over me now
She's probably over me now
She's probably oh-oo-over me

We'd pass notes back and forth in church, ah-ah
And laugh about the preacher's hair
We'd cand hunt through her mom's purse, ah-ah
And sometimes we'd just sit and stare
