I know a girl, she's not just any girl, oh yeah
She's so right, gonna be her guy, oh yeah
And i can't wait to tell her she's great, oh yeah
She's so neat, gonna sweep her off her feet, oh yeah

But there she goes runnin' after him
There she goes, it ain't right
There she goes runnin' after him tonight

There she goes of to the show
There she goes, oh no
There she goes off to the show, oh no

I know another girl, and she's really cool, oh yeah
I'll ask her for a date if it's not too late, oh yeah
And i can't wait to tell her she's great, oh yeah
She's so neat, gonna sewwp her off her feet, oh yeah
