i saw her walking down the street
he jumped down he knocked her off her feet
and then i knew it was the end of her
he's gonna kill that girl
he's gonna kill that girl tonight
when i saw her walking down the street
my heart stood still and skipped a beat
then he knocked her on the floor
but he wanted just a bit more
i saw her lying on the street
he jumped down he knocked her off her feet
and then i knew it was the end of her
