In the darkness of night, huh  
All the stage lights are shinin bright, hey  
and we work very hard, to make you stay, RRRAAH  
But it ain't no thing y'all  
Cause I know that you can hang  
We're not too expensive but you got, to, pay, RRRAAH

Some say the money is the root, of all evil  
It's not the love, but lust of it, that makes men greedy,  
oooh  
You said, "You wanna go for a ride? You gotta pay the  
fare"  
So stop! You ain't got no money, you ain't got no beat  
Hoooooh, say you  
Got no satisfaction, won't you come and work for me  
And I say to you  
Can't you see baby, we don't work for free

You know you gotta live, but shit they give you stuff for  
free  
Man these times are hard heyyy, ah don't nothin come  
easy-hee-ee-yeah  
I just got good news -- you wanna come with me  
Hey let's go uptown -- I got somethin you should see  
And my friends all say to you they say  
Got no satisfaction, won't you come and work for me  
And I say to you  
Can't you see baby, we don't work for free

Finance, city life  
You gotta work to afford paradise, huh  
But if you livin in a glass house  
Don't throw no stones, rrrraah!  
Slave, trade, don't get laid  
You gotta get paid, if you wanna go places  
where you never been before  
OK baby, rrrraah!

Where you been before, don't matter with me  
Better save your pennies nickels and dimes  
cause we don't work for free-hee-ee-yeah  
I just got good news (from the IRS) you wanna come  
with me  
C'mon let's go uptown baby, because ?we all drink? for  
free  
Hee hee hee, hee, haoowww, we don't work for free-

Gotta understand what I mean  
Don't you wanna come with me, can't divide yourself  
unless you work for free, ah c'mon now, and I don't  
know what to say  
I forgot somethin that you should see  
C'mon baby, you gotta come along with me, cause girl  
I'm rea-dee-hee for you-uuu, are you ready for me?  
I'm sure, I'm sure

And I say to you now -- we don't work for free  
C'mon baby, you gotta come along with me  
Cause satisfaction is guaranteed (we don't work for  
free)
