And I got the patience

Appalachian
But it's a rocky road
And I'm still movin' up and make no movin' us
So keep that pushy get your movie bra
You might be new to me
But you know I ain't new to you
Go ask the white boy

Fuckin' bad bitches rub my dick against their uvula
Everytime I hit the streets
It's like a fuckin' movie bra
You know what I do to ya
Say glad you gave the studio

They gon' leave you chopped up
Like they was DJ Screw in' ya
