And I got stamina so I'm a be here for a while
20 years old but I stroke it like I'm 35
20 years old but I stroke it like I'm 35
Baby I want to make your body cry down below
And watch I'll dive all the way to the ocean flo
Her legs started shaking that's when I lost control
I wanna kiss you from your belly button to your toes
I whisper something nasty now to get her movin
I wanna kiss you from your belly button to your toes
I whisper something nasty now to get her movin

I wanna kiss you from your belly button to your toes

[Chorus]

[Verse 3: Plies]

Let me stuff this pillow behind the headboard
Cause if I don't do that it's gon make too much noise
Ain't pop no pill but I am really hard
What you want in your stomach a qirl or a boy
How you want me to start it, tonque or a toy
I can tell you what I want, becky my first choice
And I ain't stopping tonight until I qetcha hoarse
Call that duck in a pond cause she is so moist
Got her goinq, she loose I hear it in her voice
You can tell how she move, that she can ride a horse
Don't change a thing we on the right course
I did all the work so you qon' have a boy

[Chorus]
