Mother Superior
Give me a sign
Hang out your clothes on my washing line
Step out the shower
To the record machine
Looking like something in a teenage dream

Take it easy
Take it slow
Make it easy
Let it go
Nice and easy
Let me know
Do you really care?

Mother Superior
You think I'm a fool?
Because I drove into a heart-shaped pool
The river is flowing right down to the sea
But I want to know what you feel for me

Take it easy
Take it slow
Make it easy
Let it go
Nice and easy
Let me know
What do you feel?

Mother Superior
Give me a sign
Hang out your clothes on my washing line
Step in the shower
To the record machine
Looking like something in a teenage dream

Are you a lover or a friend
Is this the start or the end
Will I be seeing you again
If it's true, please tell me when
If it's true, please tell me when
If it's true, please tell me when

If it's true, please tell me when
Mother Superior
