(Intro)

I ain't even gotta say shit
You know wussup
Yea, fuck with yall niggas

(Verse)

Too many times man I done tried to teach niggas
But they don't learn, stuck on stupid so they get burned
You can't trust these snitching ass
Quick to stick you with a knife in yo motherfuckin back
I show no love to these hoes, they uh
She could go like Lee Kagoa, introduce you to my
desert eagle
You gon be rich one day, that's what my mama say
And then a couple years later I was stacking bricks
17 was when I saw my first hunnid grand
Couldn't believe it when I felt that money in my hand
Before I turned 18 I made 2 mill
These facts my nigga, I'm just keepin it real
So all that money talk really don't impress me
I'm at the lake with yo bitch on my jet ski
I know you heard how we be kickin it like Bruce Lee
I got head 4 times and she just met me

(Hook)

I don't fuck with yall niggas, I don't fuck with yall
I don't fuck with yall niggas, I ain't even tryina talk
I don't fuck with yall niggas, I don't fuck with yall
I don't fuck with yall niggas so don't make me set it off

(Interlude)

Straight up, I I don't fuck wit you niggas,
I I don't fuck wit you niggas
Let me tell you
Straight up, I I don't fuck wit you niggas
I done told you I don't fuck with these niggas
Cuz I don't fuck wit you nigga

(Verse)

Now when I tell you I don't fuck with a nigga
Man I be ready to bust me a nigga, straight touch me a

nigga
But out the way fore I crush me a nigga
Ye ain't big, you better hush little nigga
You must be full of that nigga
Last week I almost cut me a nigga
Pulled the blade out and gut me a nigga
Gon stick it out them
Man these pussies really need to be exposed
I'm bout to start coming to these rap niggas shows
Whooping niggas clean off the stage, bitch!
Last thing you wanna do is make me feel played
Come up out the trunk and hit yo ass with the gauge
Should've kept me on a leash, should've left me in a
cage (monster!)
I got Jurassic Park in my veins
And I don't fuck with none of them niggas cuz they
come lames
Better freeze up like I'm diva when he see me with that
thing
I ain't fucking with you morons, better get that shit
through yo brain
Hurricane

(Outro)
