(Intro)

Like oh!

(Chorus)

How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain in my heart?
How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain at all?
How can I ease the pain?

(Verse)

How can I ease the pain? My great grandmamas died
Both of them gone, they ain't even get to see me shine
They got my brother locked in the pen doing time
Make sure he straight when he get home so I'm on the
grind
Show him how to be a real leader this time
Even though you turned his back on me when I was in
the bind
You see right now I got a couple millie on my mind
They tryina get my cousin 10, that's a long ride
Plus he got 5 kids, so how he gonn do a dime
They won't allow you to make money unless they can
tax it
They want Obama out the chair, and I ain't feeling that
shit
If you aks me we still slaves, judging by your actions

(Chorus)

How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain in my heart?
How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain at all?
How can I ease the pain?

(Verse)

I lost my uncle and I think about him every day

My other uncle's sick I hope the lord keep him straight
And plus my cousin dead, cancer took her life away
On top of that, our sister died the same way
So make sure you tell your family you love em
everyday
One day you here, next day you gone, that's all I can
say
Living on borrowed time, so how can I ease the pain?
Without the people that you care for life just ain't the
same
But all these rappers rap about is all they diamond
chains
Not me, I got some real shit to say
I just paid for a funeral, bow your head and pray
If you die before you awake, then your soul gonn be
straight
Living in a rough world, even though I got some cake
That money don't make me happy
I'm still tryina find my way
So much drama on my mind, this what I go through
every day
How am I supposed to show em love,
When their heart full of hate, full of hate

(Chorus)

How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain in my heart?
How can I ease the pain?
When I know you're coming back for me?
How can I ease the pain at all?

(Outro)

Like oh!
How can I ease the pain?
Like oh!
How can I ease the pain?
