i need everybody to stand up
put ya hood in the air
cause' everybody
got a lil ratchet
believe that

yeaaaa
well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
lets go live tonight

well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
we goin live tonight

now whats your name
whats your number
that pussy good
then we can keep it on the under

you know my name
you see my chains
you know what i'm about
so treat me like your baby daddy hit me with that
mouth

i turn ya out your sista too
thats what X and kush a do
kiss ya girlfriend
i guess you just got ratchet then
that ho out runnin round
we had that ho doin a ricky bobby
dick in every hole in her body

suck me up in VIP
first I gotta see ID
don't spit me out
swallow me
i'm ratchet to the third degree murder means i'm kinda
nasty with it remember them fake throwbacks and
them saggy titties like mat go i'm ratchet with it
sorry girl i gotta go
know you probably want some more
beat that pussy real good
drop that ho off in the floor

rihanna
i say rihanna
lets get ratchet while you goin through yo drama

well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
lets go live tonight

well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
we goin live tonight

i bet you probably never fucked a nigga with my
character
got plenty plenty stamina thats just for me to handle ya
multiple orgasms got her bustin nuts quick as fuck
have her legs shakin
beat her out the frame
bent her up
tonight we gonna get ratchet
lets make it happen
pick her up and put her back against the wall
give her that pipe
i love the way she scream my name when i be deep
divin
in and out of her little pretty sexy ratchet body
a ghetto stallion with class who like to get nod
i caught a cramp in my leg because i go the hard
jumped out that pussy for a second then i got back
started
yea the way that wood had her runnin to the closet

from the kitchen to the bathroom she got a squad bad
bitches they got naked while i watched austin powers
you have to keep me out this playboy mansion i'm
doped up
cause he caught me with his women gettin in ratchet
mode

yeaaa
well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
lets go live tonight

well lets get ratchet
lets get ratchet
we goin hard tonight

well lets get ratchet
lets get ratchet
we goin live tonight
