(feat. Nicole Wray)

[Intro: Nicole Wray]

I love you momma, love you momma, love you
momma, love you momma, love you momma, love you
momma, ayyy

[Chorus: Hurricane Chris]

Momma I just wanna take the time out to say that if it
was'nt for you I would'nt be here today
and I apoligize for all the times I made you cry and all
the times I made you hate and momma I
just wanna say that everything I do I did for you my
daddy and the rest of the family momma you
know I love you and everything I do I did for you my
daddy and the rest of the family momma you
know I love you

[Verse: Hurricane Chris]

Momma I just wanna take the time out to say ain't no
way I can forget what you did for me no
way you raise me from a baby and plus I know I was
bad so no women on earth could ever take
your place and that's a fact I remember when you use
to have to come sit in my class cause I
ain't know how to act thank you for beating my ass
that's why I know how to act every morning I
woke up there was a meal on my plate but I can see it in
your face you wasn't straight and you
and my daddy went ya'll seperate ways he stayed in
my life just like he suppose to that's why I
say he a cheat see my momma love me before I got my
kids she told me what ever I turn out to be
just keep it real and I know she worried bout me too
momma I'm cool I got

[Chorus: Hurricane Chris]

Momma I just wanna take the time out to say that if it
was'nt for you I would'nt be here today
and I apoligize for all the times I made you cry and all
the times I made you hate and momma I
just wanna say that everything I do I did for you my

daddy and the rest of the family momma you

know I love you and everything I do I did for you my
daddy and the rest of the family momma you
know I love you

[Verse: Hurricane Chris]

Momma I apologize for every virtue for anything I ever
did I ever said that hurt you I had
asthma when I was growing and I got real sick you
close your eyes and prayed and cried more
than a lil bit my cousin had took me out and taught me
how to mac you hated when I hung wit him
cause he be chasin cats that broad fool but I never
made no doubt in that no matter what
happend I knew my family had my back and even
though I'm out here living my life like I'm grown
everyday I pick up the phone and I call home I say hey
booy it's sean that boy still trippin
that boy crazy and I wish I could be home with ya I bet
both of my grandmas in the kitchen
cookin food if it wasent for them I probaly wouldnt
went to school momma I love you in a way
that I just can't explain your only child Chris Dooley,
Hurricane

[Chorus: Hurricane Chris]

Momma I just wanna take the time out to say that if it
was'nt for you I would'nt be here today
and I apologize for all the times I made you cry and all
the times I made you hate and momma I
just wanna say that everything I do I did for you my
daddy and the rest of the family momma you
know I love you and everything I do I did for you my
daddy and the rest of the family momma you
know I love you

[Nicole Wray + Hurricane Chris:]

Said you know I need you in my life said you know your
the only one I need in my life my daddy
the rest of the family momma you know I love you and
everything I do I did for you my daddy and
the rest of the family momma you know I love you
