"Oh Babe"

Have I a hope, or half a chance
To even ask if I could dance with you, yoo hoo
Would you greet me or politely turn away
Would there suddenly be sunshine on a cold and rainy
day
Oh babe, what would you say?

For there are you, sweet lollipop
Here am I with such a lot to say, hey hey
Just to walk with you along the milky way
To caress you through the nighttime
Bring you flowers everyday
Oh babe, what would you say?

'Cause, oh, baby I know
I know I could be so in love with you
And I know that I could make you love me too
And if I could only hear you say you dooo, ooh, ooh,
ooh
But anyway, what would you say?

Yes, oh, baby I know
I know I could so in love with you
And I know that I could make you love me too
And if I could only hear you say you dooo, ooh, ooh,
ooh
But anyway, what would you say?
