\* organized by Rhino comp. for convenience  
regardless of original

Ahh, ooh, ahh, ohh, ahh, ohh, ahh, ohh  
I'm Sylvia, that's the name  
Rappin Queen's my claim to fame  
Gonna tell you a story you didn't know  
Get ready get set, cause here I go  
I knew the land, of Rappersville  
Castle on a mount called Sugar Hill  
Like Diana Ross said loud and clear:  
"This is my house, I live here!"  
We have a King, I must confess --  
we share everything cause we love the best  
We have money and friends of every kind  
Friends are his, money's mine  
My every wish, is his command  
Furs everyday at the wave of my hand  
I consider myself a fortunate lady  
sporting my Rolls, and grey Mercedes  
Ahhhh, ha ha ha! \*singers come in\*

[Chorus]

Ohh yes it's good to be the Queen, ohh la la  
Gee but it's good to be the Queen  
(sing it girls/what it is, is what is is/sing it girls/sing it  
girls/well)  
You can be sure about one thing, ohh la la  
Ma oui/Ohh yes!/ma oui/Ohh yes!/ma oui It's good to be  
the Queen

The Queen of Sugar Hill, ahhh...  
We partied all day in the castle all night  
All the VIP's of the world was in sight  
Drinks were free so was the fun  
There was more than enough for everyone  
So Sammy and Frankie, mingle in the crowd  
Heard Stevie and Michael, singin out loud  
They were hippin and hoppin all over the place  
Bangin the boogie right in my face  
I got on the mic and I started to rap

Feet start slappin, hands began to clap  
They were cuttin up records, faster and faster  
But no one did it like our Grandmaster  
The fun I had, I could not measure  
This rappin, is a sho nuff treasure  
The people all stood and began to scream  
As somebody yelled, "Long... live the Queen"

[Chorus]

It's good to be the Queen!  
Badi mbatu badi mbatu badi mbatu badi mbat  
Badi mbatu BADI MBATU badi mbatu badi mbatu

It started back, in seventy-nine  
My whole darn future, was on the line  
I created, a brand, new sensation  
Through my mind and the whole darn nation  
With the Big Bank Hank, the Wonder Mike  
And this kid called Master G (that's me)  
Well would you believe their Rapper's Delight  
went down in history, hahaha!

[Chorus]

I'll never forget, the King of Kings...  
Break it on down  
Funk...

Badi mbatu badi mbatu badi mbatu badi mbat  
Badi mbatu BADI MBATU badi mbatu badi mbatu

Mmm... Sugar Hill, funk  
Your fantasy, is my reality

[Chorus]

[Chorus]

It's good, so good, good, mmmmm  
It's good, so good, good, hahahaha, mmmmm  
I like it
