Judy, Judy loves her teacher
But he don't see her
Sitting back of class
She tries to do her learning
But her heart is filled with yearning
She just cries alone and
Whispers out his name
But maby one day
He'll see her smile
And maby he'll say
Stay behind from school for a while

Judy, Judy loves her teacher
And after school she waits out
She waits out by the gate
But he drives away not seeing
That's she's standing there and weeping
She just cries alone and
Whispers out his name
