I was walking down the streets of Boston town
A couple bad robbers came and hit me down
Oowe oohla, oh let us rock
Came a pretty girl and she held me nice
IÂ´m in seventh heaven feeling oh my,oh my
Oowe oohla , oh let us rock
I just need a baby who will take my heart
And i need a sugar
Who will never,ever,ever,ever part
Oowe oohla, oowe oohla
Oh let us rock

Oowe oohla , oowe oohla
Oh let us rock

Oowe oohla , oowe oohla
Oh let us rock
