Hey little sugar you're so kind and sweet  
Cuter than the baby walking down the street  
When i'm looking at you i just wanna leap  
Oo-oo-oo like a tiger  
Oo-oo-oo just to see you walking round  
I wanna growl , wow  
I'm feeling stronger than a grizzly bear  
Stronger like a nickle flying through the air  
When i get you in my arms you'd better beware  
I go insane 'cos can't be free like a tiger  
Oo-oo-oo like a tiger  
Oo-oo-oo just to see you walking round  
I wanna growl , wow

You keep my heart jumping like a kangaroo  
Poppin' like a bean in a boiling stew  
Baby everytime you come to me  
I'm running like a rabbit but you can't beat me  
I'm your tiger and your my bait  
Hurry up baby now don't be late  
I get mad if i have to wait  
Come on right now 'cos i'm on my cove  
Like a tiger
