Gonna tell you a story
That you know darn well
Baby it's happy
The kind i like to tell
Well a honky woman
Put a spell on you
Hey hey hey woman
Got my eye on you
Hey now , pretty woman
I can dig what you do
Got a spell on me baby
And i'm stuck like glue
Hey hey scoogie dance
Rock and roll , looking for romance
Wooa , woa , hey , hey
Well , oh....

Don't you know , don't be lazy
Got no money , drive me crazy
Wooa , woa , ain't it love
Well oh...
You is wrong , treat me bad
Rock and roll , since the night we met
Yeah , yeah , yeah , yeah
Well allright...
Hey , hey be my baby
Rock and roll drives you crazy
Wooo , woa , yeah , yeah
Well oh...
