Mayday, Mayday, I'm going to crash  
I can't pull myself Up, no I wont last  
I've fallen off my feet onto the ground  
Youve abandoned me, nowhere to be found(2x)

I don't know what I did but you do  
I can't think of anything except you.  
I can't think of anything cuz I'm sick.  
I'm so sick, I need love quick  
I need a nurse, come back to my side.  
I want you, I need you to survive.  
You left me here when I was up high.  
And when I fell I down, I thought I would die.  
I was caught up and it saved my life.  
These nets of thought from which I was caught.  
I needed you to see that I was,  
Sincere but you turned and burned our love.

Mayday, Mayday, I'm going to crash  
I can't pull myself Up, no I wont last  
I've fallen off my feet onto the ground  
Youve abandoned me, nowhere to be found(2x)

Everything that happened between us was,  
A little tiny thing we called love,  
But you had thought it was something else  
It took me for granted, put me on the shelf.  
You were the girl that everyone wanted,  
I thought we were good, look what you undid  
I got the wrong idea, you lead me on.  
And now I am here mistreated and wronged

I can't go on, I can go on. (mayday mayday)  
I need your love, please just hold on. (mayday mayday)  
I can't go on, I can't go on. (mayday mayday)  
I need your love, please just hold on. (mayday mayday)

Mayday, Mayday, I'm going to crash  
I can't pull myself Up, no I wont last  
I've fallen off my feet onto the ground  
Youve abandoned me, nowhere to be found (2x)
