There are times when we question the things we know  
Never thought that the cracks will begin to show  
We both know love is not that easy  
I wish I'd known that it would be this hard to be alone  
Please, come home!

Loveless nights, they seem so long  
I know that I'll hold you someday  
But till you come back where you belong  
It's just another lonely Sunday

Is this the end of the love that had just began?  
I always hope that the best it was yet to come  
Please, come back, don't you leave me  
We both so young, I know you need me too  
And there'll always be times like these

Loveless nights, they seem so long  
I know that I'll hold you someday  
But till you come back where you belong  
It's just another lonely Sunday

Maybe we'll see that we were wrong  
If ever we look back one day  
But till you come back where you'll belong  
It's just another lonely Sunday

Lonely, lonely

If you don't come back tomorrow  
I'll be left here in the cold  
If you don't come back tomorrow, I'll go

Loveless nights, they seem so long  
I know that I'll hold you someday  
But till you come back where you belong  
It's just another lonely Sunday

Maybe we'll see that we were wrong  
If ever we look back one day  
But till you come back where you'll belong

It's just another lonely Sunday

Lonely, lonely
