Hurt

"You Bleed"

If only, I was not a clown,
your no good,they, say to me,
and I'll show them, when im not around,
Your no good if your not proud,
and put your feet back on the ground

I had, to Find, my way, around
i held, together, and made you proud,
but for it to live,
would be the greatest gift,
oh, burden

if you bleed, and say its alright
you scream and tear at your poor eyes
and you say its alright, even when its not and,
and you say its alright, even when its not and,

[oh when its not, oh when its not]even when its not, and
[oh when its not, oh when its not] even when its not[
when its not]

oh im so lonely, and scared when your around,
Your no good, for me, i think
cause im only, a stranger in this town,
your still good if your not proud, so set your head back
in the ground,
cause i had, to find, my way, around,
i held together, NOW WHOS THE CLOWN?

because you bleed, and, say, its alright
you scream and tear at your poor eyes,
and you say its alright, even when its not and,
and you say its alright, even then its not, and
and you say its ohhhhhh. so i guess its ohhhh [alright]

oh, and you bleed, and say, its alright,
and you scream and tear at your poor eyes!

[oh when its not] and you say its alright[oh when its
not] even when its not and[oh when its not]

and you say its ohhhhh [oh when its not] so i guess its
ohhhhh [oh when its not][alright]
