Home, it's where the heart is  
So just let me breathe again  
Make me young again  
And we'll go where we are free again  
This is not the end  
We'll be young again

So we'll say goodbye girl  
And watch as the world burns  
This is exile  
We're in exile

So just let the heads roll  
And we'll stand on this world alone  
In this exile  
We're in exile

Exile, exile, exile,

Home, it's where the heart is  
Where we'll never leave again  
Suffer or bleed again  
When we go  
The vultures will feed on them  
And fire will come around  
And we'll be young again

So we'll say goodbye girl  
And watch as the world burns  
This is exile  
We're in exile

So just let the heads roll  
And we'll stand on this world alone  
In this exile  
We're in exile

We're in exile,  
We're in exile,  
Watch as the world burns
