You say you were lost and found  
reaching for a higher ground than your own  
but you stay on the same old side  
you do anything you like, killing time

For how long will you keep me waiting, for how long  
I can't go on when you keep on doing me wrong

You always stay away for hours  
keep me waiting every night and day  
what can I say I'm in doubt  
you leave me hanging, am I wasting time  
you always keep me on the line  
keep on playing with this heart of mine  
I can't deny anymore  
where do we go from here

I say it's a reverie  
you claim we were meant to be together  
I say it 's time to leave  
you claim you'd stay with me forever

For how long will you keep me waiting, for how long  
I can't go on when you keep on doing me wrong

Chorusâ€¦

For how long will you keep me waiting, for how long  
I can't go on when you keep on doing me wrong

Chorusâ€¦
