"Sorry So"

Visit "[Sorry So](#)" on MotoLyrics.com

I have to say I'm sorry so
I've got a name for you before you run away
I hate to say I'm sorry so
I've got a gift for you before you let me go

I hate to say I told you so
I've got a name for you before you run away
I hate to say I told you so
You put the blame on me but it's not all my fault

Why is there always something true
Whatever I can say whatever I can do

Why is there always something true
With all your enemies I won't beg you please

Ah ah ah ah ah...

I have to say I'm sorry so
I've got a name for you before you run away
I have to say I told you so
You put the blame on me but it's not all my fault
Why is there always something true
With all your enemies I won't beg you please

Ah ah ah ah ah...
