"You & Me"

This is just another day
Another day has gone away
You don't have to see it all
Like a writing on the wall

This is just another dance
Feel the way of every dance
You don't have to see it all
Like the bridge of far shore

This is just another chance
Another chance for you and me
You don't have to cross the line

I don't want you to be mine

This is just another day
Another day has gone away
You don't have to see it all
Like a writing on the wall

This is just another chance
Another chance for you and me
You don't have to cross the line
I don't want you to be mine, mine, mine,... (x4)
