Got these little pills
To curb your appetite
Take a couple of these
You'll be up all night

I can scream, I can jump, I can shout
I can tear the whole place down
When I take a couple of these
I don't want you around

All tensed up
Did too many pills
Wanna get near you
But I can't stand still

Baby, I love you
I'm too loaded
To love you properly

Got these little pills
To curb your appetite
Take a couple of these
You'll be up all night

I can scream, I can jump, I can shout
I can tear the whole place down
When I take a couple of these
I don't want you around

All tensed up
Did too many pills
Wanna get near you
But I can't stand still

Baby, I love you
I'm too loaded
To love you properly

All tensed up
Did too many pills
Wanna get near you
But I can't stand still

All tensed up
Did too many pills
Wanna get near you
But I can't stand still

All tensed up
Did too many pills
Wanna get near you
But I can't stand still

All tensed up
Did too many pills
Wanna get near you
But I can't stand still
