One day I walk the bed of nails  
I'm not the only one  
But some they cannot walk the jagged line

Callous, concentrating  
For nails are sharp as lies  
I run the jagged line

From years and years of practice  
I know just how to stand  
Alone with perfect balance, hand in hand

Prepared with boards and hammers  
And several bags of nails  
Well, I could build a wall to lean on

Roof above my mind  
That I can see you've got your own plans  
Please don't drive your nails  
Into this heart of mine  
Heart of mine, this heart of mine

Oh, I can walk the bed of nails  
Grin and bear the pain  
But some they cannot deal with all these things

And always sacrificing  
For lies are sharp as nails  
And all the pain it brings

Sometimes I just pretend  
That all the lies are true  
And then I know I might depend on you

But if my concentration breaks  
I'm washed away with pain  
And then my feet begin to bleed  
Upon my only bed of nails

And I'm stuck here in the middle of a sea of lies  
Inside my bed of nails  
Inside my bed, inside my bed of nails

From years and years of practice  
I know just how to stand  
Alone with perfect balance, hand in hand

Prepared with boards and hammers  
Several bags of nails  
Well, I could build a wall to lean on

Roof above my mind  
I can see you've got your own plans  
Please don't drive your nails  
Into this heart of mine

Well, please don't drive these nails  
Into this heart of mine  
Please don't drive these nails  
Into this heart of mine

Please don't drive these nails  
Into this heart of mine  
Please don't drive these nails  
Into this heart of mine

Please don't drive these nails  
Into this heart of mine  
Please don't  
Heart of mine
