Got something to say  
Like something to me  
Just go ahead and spit it out  
It's all the same, you see

What's that, it doesn't make sense  
Are you talking in tongues?  
Or is your brain out of gear  
I can hear it rattle in your head

I can see your lips move  
Blah, blah, blah  
But all I hear is  
I can see your lips move  
Blah, blah, blah  
But all I hear is

Got something to say  
Like something to me  
Just go ahead and spit it out  
It's all the same, you see

It's coming out better  
But it doesn't make sense  
Is that a head on your shoulders  
Or something you use for ornamentation

I can see your lips move  
Blah, blah, blah  
But all I hear is  
I can see your lips move  
Blah, blah, blah  
But all I hear is

I can see your lips move  
Blah, blah, blah  
But all I hear is  
I can see your lips move  
Blah, blah, blah  
But all I hear is

Got something to say

Like something to me  
Just go ahead and spit it out  
It's all the same, you see

What's that, it doesn't make sense  
Are you talking in tongues?  
Or is your brain out of gear  
I can hear it rattle in your head

I can see your lips move  
Blah, blah, blah  
But all I hear is  
I can see your lips move  
Blah, blah, blah  
But all I hear is

I can see your lips move  
Blah, blah, blah  
But all I hear is  
I can see your lips move  
Blah, blah, blah  
But all I hear is
