I've got something she wants
She's got something I need
Got a lock on my heart
She's got the keys

Softly spoken words of love
These are what she says to me
"Honey, be a man
Get off your knees"

Every heartbeat, every movement
Every moment, every sigh
Every heartbeat, every movement
Every moment, every sigh
Every everything

Something in my heart
Something in my arms
Fell in love with your
Possessive charms

Softly spoken words of love
This is what she says to me
Got a lock on my heart
And she's got the keys

Every heartbeat, every movement
Every moment, every sigh
Every heartbeat, every movement
Every moment, every sigh
Every everything

Every heartbeat, every movement
Every moment, every sigh
Every heartbeat, every movement
Every moment, every sigh

Every heartbeat, every movement
Every moment, every sigh
Every heartbeat, every movement
Every moment, every sigh
Every everything
