I can't tell you what's coming here next  
'Cause I don't know for sure  
It could be good and it could be bad  
I don't know for sure

I guess that I'll continue  
On from day to day  
The only way to answer that  
To answer that would be to be that way

I wanted this and I wanted that  
I don't know for sure  
And don't ask because I don't know  
I don't know for sure

I never get confused  
'Cause I don't really know  
So I'm happy and so what  
So what means that I don't know

It's too simple to explain  
'Cause I don't know for sure  
The words are never proper words  
'Cause I don't know for sure

What is simple, what is hard  
Is harder to discern  
Well, these feelings that I feel  
Are like the feelings that we learn

I can't tell you what's coming next  
'Cause I don't know for sure  
It could be good and it could be bad  
I don't know for sure

I never get confused  
'Cause I don't really know  
So I'm happy and so what  
So what means that I don't

I can't tell you what's coming next  
'Cause I don't know for sure, no

I can't tell you what's coming next  
'Cause I don't know for sure, no
