I'm running out of time this time  
This time I can't be late  
I've got to find my destiny  
Before it turns to fate

I feel so insecure, I feel so all alone  
I need something, some possession of my own

I reach for what I want  
I see it in my sleep  
It's hard to get a hold of it  
And it's twice as hard to keep

I feel so insecure, I feel so all alone  
Well, I need something, some possession of my own

Someone help me, lifeline  
Someone help me, lifeline  
Someone help me, lifeline  
Someone help me, lifeline

I grab the rope in front of me  
It keeps slipping from my hands  
I try to climb with all of my strength  
But it trickles through like sand

This feeling's too secure, it's like a ball and chain  
Yeah, I know there's something dragging in my brain

Now another rope appears  
I've got it snug and tight  
This is one that I can't let go of  
No matter how I fight

This feeling's too secure, it's like a ball and chain  
Yeah, I know there's something dragging in my brain

Someone help me, lifeline  
Someone help me, lifeline  
Someone help me, lifeline  
Someone help me, lifeline

Lifeline, lifeline, lifeline, lifeline  
Lifeline, lifeline, lifeline
