What's this humming in my head
Was it something that someone said
It's connecting us with them
Electric wires turned on again

Well, it aggravates, pacifies
Hear the power in the lines
Well, it aggravates, pacifies
Hear the power in the lines

Strung high on every pole
How can this power be bought and sold?
Trying to harness solar rays
Making minutes seem like days

Well, it aggravates, pacifies
Hear the power in the lines
Well, it aggravates, pacifies
Hear the power in the lines

Powerline
Powerline
