Counting down to when we all get around
We'll build a fine tree house up in the pine
We build two floors, I found some two-by-fours
A ladder made of ropes should do just fine

Stolen plywood makes a good ridget roof
A coat of paint and own tree house shines

Lay cardboard carpets,
Wrap ourselves in blankets
Light up canles and stay up all night

So clap your hands together
Make beats with cutlery
Cartwheels for melody
Pillow fights in harmony

This is us together
Right where I want to be
Hardships are history
Now swear you'll never leave

All united, everyone's invited
Housewarming party in the pines

Folks admire, we're proud but tired
We're serving fresh cupcakes and choi
Bonfire blazes, light up friendly faces
All having the time of our life

Forget curfews, we are the chosen few
For when the days are longer than the night

So clap your hands together
Make beats with cutlery
Cartwheels for melody
Pillow fights in harmony

This is us together
Right where I want to be
Hardships are history
Now swear you'll never leave
