My sword is now wet  
By the blood of your people  
Your courage is not enough  
Why don't try to escape  
Your end is so near  
Soon this land will be mine

Don't exult it's only afternoon  
Our soldiers are ready to battle again  
Look at the horizon  
And hear the throat of horses  
Thunder of wrath  
Spirit of vengeance  
The knights of the league have come

All around the cart  
The bell of our patron  
Starts to ring again  
The cross, the cross  
For the cross we'll return with the shield  
Not over the shield

Your sword is now mine  
And your blood is now spilled  
This is the triumph of courage  
Run to announce that you're on your knees  
In front of Albert our guide

For the price  
Look into our eyes  
A tear falls  
And wets the soil  
The cross is safe  
Our homes are surviving  
Crumble of fury, cries of joy  
They have heard our scream of revenge

All around the cart  
The bell of our patron  
Starts to ring again  
The cross, the cross  
For the cross we've returned

Victory
