"Until Tomorrow"

You drink your health
And remember
To forget yourself
Sat on a roof

In the everlasting moments
Of your youth
You looked surprised
As it all went up in smoke

Before your eyes
Beneath the glow
On a different kind
Of Sunday morning

Until tomorrow
Until tomorrow
Until tomorrow
Until tomorrow
On a different kind
Of Sunday morning

Until tomorrow
Until tomorrow
Until tomorrow
Until tomorrow
On a different kind
Of Sunday morning

No need for words
Your heartbeats
And the breeze
Was all I heard

Your hopes and fears
How trivial it seemed from above
I breathe you in
As the sunlight breaks the haze

That touched your skin
Beneath the glow
On a different kind

Of Sunday morning

Until tomorrow

Until tomorrow

Until tomorrow

Until tomorrow

On a different kind

Of Sunday morning

Until tomorrow

Until tomorrow

Until tomorrow

Until tomorrow

On a different kind

Of Sunday morning
