Sou ware wa ningen to
Yobareru saiaku no warusa
Arayuru seimei no shihai
Tenteki wa doushuzoku
Arasoi ni kizamareta rekishi kara
Kesshite kyoukun wa erare nai
Karada ga akitari nai

Rewind the times so crazy
What right have we to kill? Full of conceit.
The worst creatures in history.
The ground will find some
Peace when we're gone. It's sad.

Hanketsu hikoku no tsumi wa genzai yori omoi
Osoreru koto nakare shikkou nin ga fuzai
Sono aku naki hakai wa jouki wo itsusshi
Jigyaku wo kiwamete nao
Karada ga akitari nai

Rewind the times so crazy
What right have we to kill? Full of conceit.
The worst creatures in history.
The ground will find some
Peace when we're gone. It's sad.

"A verdict has been reached
The court finds the defendant guilty"

Once more, the hunting season
We shoot at will Why does God permit it?
Rewind the times so crazy
What right have we to kill? Full of conceit.
The worst creatures in history.
The ground will find some
Peace when we're gone. It's sad.
