Made in heaven
IÂ'm your creation
Tsumibukaki sonzai
Hakai shoudou ni seitaki shoudou
Uetsukerareta nou

Are you worried, baby?
WonÂ't you hear the word?
I will guide you forward
Come here

I want your blood, give it to me
I taste your cells, instinctively
Come, drink my blood, lose all reason
Out of control, instinctively
Light the fire of desire
He awaits sweet depravity, ha ha!

Oh, my brother
I understand well
Yami naki hikari nashi
Onozomi toori kyouhan
Aku no chi he kourin wo

Put your trust in me, baby
IÂ'm not telling lies
Let me show you a secret
Come here
I want your blood, give it to me
I taste your cells, instinctively
Come, drink my blood, lose all reason
Out of control, instinctively
Light the fire of desire
He awaits sweet depravity, ha ha!

The smell of sweat
now the stage is set
Unchain your closed minds

Slaves of desire
Throats are running dry
Hear the beating of our hearts

I want your blood, give it to me
I taste your cells, instinctively
Come, drink my blood, lose all reason
Out of control, instinctively
Light the fire of desire
He awaits our disgrace
Get heavy, make merry
Not scary, sweet depravity, ha ha!
