Karami tsuku kaze ni sakarai ushinatta kisetsu wo  
sagashite iru  
Wazuka demo mezasu houkou e azayaka na kioku ga  
tsuki ugokasu  
How many cuts should I repeat?  
How many fates should I accept?  
Does it have an end?

Itsu mo karada juu wo kimi ga kake meguri afuresou  
Da kara kowakunai yo ashita mo  
Because I always feel you in me.

Kawaki kitta nodo e nagashita kimi no na de kokoro wo  
uruoshiteku  
How many cuts should I repeat?  
How many fates should I accept?  
Does it have an end?

Haruka ano tori no you sora wo tobi koete yuketara  
Itsu mo tsutaete iyou ai wo  
Because I always feel you in me.  
You taught me how to love.  
I feel. I can do anything.

Yume ni egaku sekai wo kimi no me no mae ni hirogetai  
Da kara kowakunai yo ashita mo  
My beloved season calls me.  
Because I always feel you in me.
