Chiisana niwa e to
Kabe wo tobikoe
Toritachi ga yorisotte
Sono utagoe wo kikasu
Iki wo hitsumete
Soto wo mistumeru
Omoi ni was hane ga aru
Kono heya kara ano sora e
Hanayagu machinami
Mabushii hiroba e
Kokoro wa habataku
Yurusarenu mama
Todaeta seijaku
Kakitometa ate no nai
Kono tegami wo oite iku yo
Doko made tooku e
Hanarete ikou to
Kokoro wa ubaenai
Kyou wa ressha ni yurare
Sariyuku toki mo mite ita
Haruka na aozora
Haruka na anata wo
Kokoro wa wasurenai
I remember,remember you
I remember,still close to you
No need to fear the distance here.
